JOONAS HILTUNEN

WEB DEVELOPER / SOFTWARE STUDENT

PROFILE

A versatile professional with strong experience in both the restaurant industry and sales. I have led large teams, developed profitable product lines, and efficiently managed shift scheduling. Currently, I am transitioning into the field of information and communication technology, focusing on programming and web development. My studies are ongoing, with an expected graduation in the fall of 2025. I am actively seeking an internship position, ideally starting in the first quarter of 2025.
